Defendant Has Met Conditions of Release: ☐ Yes ☒ No

Conditions of Release Not Met and the Activities of the Officer to Bring the Defendant into Compliance:

A home contact was completed on May 9, 2024. The defendant advised that he failed to attend his scheduled mental health appointment with Indian Health Services. The defendant did not offer a reason why, just that he was sleeping. I asked him to report to the office on May 10, 2024, for a urine test and he agreed. I further asked him to reschedule his appointment with Indian Health Services. On May 10, 2024, the defendant reported to the office as requested. He admitted to smoking marijuana on May 8, 2024. A urine test was completed and was presumptive positive for only THC. We had a discussion on marijuana use and what led to him using marijuana. I asked him to report back in two weeks to provide another urine sample. I gave him until May 17, 2024, to reschedule his appointment with Indian Health Services.

Recommendations:

At this time, no action is requested from the court.
